

## Do you want the hiring process to be painless?

Consider allowing ML&R Personnel Solutions LLC to be part of your hiring strategy, part of your hiring group. Our team of consultants are experienced with the identification and screening of potential candidates. We search out the most qualified applicants and once identified, we invite these candidates in for an extensive interview. Not only do we assess their skills, experience and cultural fit with your company, but we also complete reference checks, verify degrees and certifications during our search process. Our goal is to assist you in identifying the best potential employee for your company.

We are experienced professionals and can simplify the hiring process simple and successfully allow you to do what you do best, which is **run your company!**
